Share the Logic Topic List

Below is a list of some of the topics we will be covering at our Share the Logic event.

New Logic: Recent and Future Developments for RIMAS

Presenter: Perry Jacobs

An introduction to new features from Shared Logic, including RIMAS Version 3, RIMAS Online, Report Scheduling, the RIMAS Mobile Application with an introduction to new Mobile functionality.

Buying Logic: Purchasing within RIMAS

Presenter: Perry Jacobs

A little something for everyone. Learn key concepts of the purchasing process in RIMAS at both receiving and trading levels. Topics include: Using Post Type Scale, Using Images, Scheduled Receivers, Receiver Review, and Purchase History Reporting.

Logic for Sale: Selling with RIMAS

Presenter: Kelly Magginis

A step-by-step walkthrough of the sales process in RIMAS. We will take you from the initial Sales Contract, all the way through Invoicing. Topics also include: Scheduling, Shipping, and Shipper Review.

Pricing Logic: Control Pricing with RIMAS

Presenter: Kelly Magginis

A step-by-step walkthrough of the pricing process in RIMAS. We will take you from the initial pricing record set-up through a typical monthly process. Let us show you how RIMAS can help.

Inventory Management: I've got a Stack of Logic this High

Presenter: Perry Jacobs

Gain skills to plan and manage every aspect of Commodity Inventory at your facilities. Learn how to transfer, process, and tag your inventory within RIMAS.

Counting Logic: Accounting Techniques in RIMAS

Presenter: Kelly Magginis

Develop effective period-end procedures and learn some useful Accounting tips and tricks along the way.

Logical Reports: Using the Report Scheduler

Presenter: Perry Jacobs

Learn about this feature which is a helpful tool for office administrators and report lovers.

Hauling Logic: Dispatching with RIMAS

Presenter: Perry Jacobs

Learn key concepts of the Dispatch module including scheduling, container placement and linking trip information to receivers/shippers along with Mobile functionality.

Trading Logic: Brokerage Transactions within RIMAS

Presenter: Kelly Magginis

A step-by-step walkthrough of the brokerage process in RIMAS from Contracts to Invoicing.

Something specific you want to ask? Not to fear, Q&A sessions are scheduled each day.
